

riffRead

```
graph LR; A[riffRead] --> B[rifflesSPChunk]
```

A diagram showing a flow from a box labeled 'riffRead' to a box labeled 'rifflesSPChunk'. A blue arrow points from the right side of the 'riffRead' box to the left side of the 'rifflesSPChunk' box. The 'riffRead' box is white with a black border, and the 'rifflesSPChunk' box is gray with a black border.
